MOTION TO CONTINUE

**RE: CITY OF NORTH CHICAGO V. UNION PACIFIC
T03-0024**

Dear Judge Tate:

I represent the city council of the City of North Chicago and have been asked to contact you, since the city does not currently have an attorney representing its interests in this matter, to advise you that the parties are still reviewing alternate street crossing designs and that a continuance of this matter is desired to afford the parties sufficient additional time to reach a consensus.

Please continue this matter to June 1, 2004, or a later date convenient to this court.

Sincerely,

John M. Mullen
